With deep respect and appreciation, we, the class of 1984, dedicate this *Centurion* to Mr. John Marchetti. He is a paragon of excellence. He has made our school years better by always being interested in us. He is never too busy to discuss our problems or exercise the skill of listening. His mien wins both respect and popularity from all. He is strong when strength is necessary, and compassionate, when compassion is needed. Throughout the years, he has advised us, lightened our spirits and reminded us of test dates, scholarships and other important facts. His guidance, time and concern will always be remembered. We would like to thank Mr. Marchetti from the bottom of our hearts.

*When the bus came into sight, it was as if summer had never existed.*

*Mr. Plunkett lends a helping hand on Day One.*

RRRRINNNG! 6:00 a.m. hasn't had meaning for three months but when the alarm clock sounds on that dark September morning, meaning returns. It is hard to give up the warmth of bed for the cold reality of another school year, but when bed is surrendered, habit takes over. Showering, getting dressed and eating breakfast form the routine that marks a day of school.

Standing for the bus, a familiar feeling arises, a feeling of excitement and of apprehension. During the ride one wonders if he will ever arrive. But when the bus approaches the school, the image of the building in the morning's misty haze makes it all seem somehow unreal.

Inside the building the feeling remains. With students and faculty dashing around, the atmosphere is dreamlike. The Sophomores, with concealed awe, try to master these unfamiliar halls in a frenzied attempt at being in the right place at the right time. With studied nonchalance, the Juniors display their experience by discussing schedules and teachers. The Seniors, realizing that this is their final year, take time to renew old acquaintances.

Onward the day proceeds, with confused directions, lunchroom pile-ups and mixed up schedules until the end of the day when the students realize it is over. The first day is now history and school has really begun.

*Tom Geary shows his pride in the Class of '83—a year late.*

# ACADEMICS

## **"NOT JUST POTS AND PANS"**

The Home Economic Department encompasses many different areas of study. The Food Courses can teach a student everything from basic choices and preparation for a nutritious meal, to Gourmet cooking. The Textile courses concentrate on working with patterns and design. There is something for every level of skill and interest.

We also have a course dealing with interior design. Students learn about decorating, house planning and energy conservation.

Child development and Adult living courses concentrate on parenting, emotional, physical and mental development, consumer education and general skills.

The overall goal of the Home Economic Department is teaching Home and Family skills.

## INDUSTRIAL ARTS

In a program designed to give students an introductory background in technical areas, students gain an understanding of materials, equipment and their applications. Departments varying from metals to graphics demonstrate to students how high school skills can become professional skills.

## GETTING THE JOB DONE

The teachers in the Business Department prepare the students for the future in a world that requires typist skills. The Business Department offers a variety of typing courses, from personal typing to advanced typing. Along with these skills, the department offers such courses as accounting, bookkeeping, Business Law, data processing, stenography and office procedures. This variety of courses helps prepare the student for an exciting career in the business field.

## BONJOUR, BUENOS DIAS, SALVE

The foreign language department at South Windsor High School is threefold: French, Spanish, and Latin. The French classes here are very popular, as the "romance Language" attracts many students. Those who take Spanish are more practical as it is the second most widely used language in this area. Latin is for the scholars among us, who perhaps wish to have a better command of English. All three foreign languages provide an interesting and important part of the student's schedule.

Ici, les classes de français sont très populaires, puisque la "langue romantique" attire beaucoup d'étudiants.

Ellos que saben Español son más prácticos, como es la segunda lengua más extensamente usada en esta parte de los Estados Unidos.

Latina Lingua est pro discipulis inter hos qui, fortasse, suam linguam melius discere cupiunt.

## "THE MATH DEPARTMENT ADDS UP"

The math courses offered are: General Math, Algebra II, Geometry, Elementary Functions, and Calculus.

Another math course that has become very popular is Computer Programming. This course familiarizes students with the basics of computers. It prepares the students for the up and coming world of computers. The head of the Computer Department, Mr. Cloutman, has striven to bring about more courses and Machines to help students develop their computer skills. South Windsor High School has done very well in decreasing computer illiteracy.

# SCIENCE: Rats, Stars, Melting Ice and Diseases, all make Science Tough and Interesting

From the electron configuration of a hydrogen atom to the universal distances of a galaxy. The Science program offers students a wide range of courses in the Biological, Physical and Earth Sciences. The many memories of formaldehyde smelling up the hallways or the explosion of sodium in water in Chemistry will remain always. Remember Physics and how Mr. Brown had our brains spinning faster than ever before? How about Mr. Rioux's many maritime tales in Marine Science? Splat Power! Fruit Flies, Mold Gardens and Mr. White throwing a piece of chalk into the trash basket as he ran down the hall. We will remember our Science times forever!

# SOCIAL STUDIES

The areas of study for Social Studies students are numerous. From the beginning of time to contemporary issues, the combination of various cultures, theories and people broadens the students' understanding and awareness of the world in which they live. Emphasis is placed upon oral skills through class presentations, debates, and discussions.

All students learn how to operate voting machines and have the opportunity to vote in mock elections. Law students partake in mock trials in state-wide competition; Connecticut History students visit important historical sites in the state; the World Affairs Club participates in a model U.N. There is something for everyone in the diverse Social Studies department.

We the People of the United States, in order to form a more perfect Union, establish Justice, insure domestic Tranquillity, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty, to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

# Design, Imagination and Hard Work, Create Art Work

Line, shape, texture, and color all are used in the many art media offered. From the sketches in drawing to the soldering in jewelry, art courses demanded our time and attention to detail. The many variations in hue and value of colors opened our eyes to the world around us, as well as to the imagination inside us. The realization of nature's design helped us to create in the ceramic, painting, print making, etching, jewelry, pencil, and pen media. The appreciation of art forms helped us learn more about ourselves.

# ENGLISH

"To be able to read and to write is to learn to profit by and partake of the greatest of the greatest of human achievements . . . "

English at South Windsor High School is more than a four-year requirement. The English department strives to challenge every student. After having read a variety of literary pieces concerning many different ideas, the students participate in stimulating discussions. Emphasis is placed on critical thinking, expression through writing and understanding of thought trends in literature.

Great Times  
Tim in H

— EVENTS —

# JUNIOR PROM

Outside the rain was pouring that warm spring day at the end of May; May 21, 1983 to be exact. Nerves proved to be the greatest drawback as we anticipated the momentous occasion of our junior prom. However, once the swinging hoop-skirted gowns and spiffy tuxes sauntered through the doors of the Ramada Inn in East Windsor, much worry remained behind in the hearts of our parents who had immortalized these fears on film. For "now love would lift us up where we belong."

# Drama Club '84

Drama Club Board of Managers

When the Drama Club gears up for a major production, such as *PETER PAN*, it means a lot of work. Set construction, publicity, rehearsals and planning all play major roles in bringing about a successful play.

# GREAT TIMES

The sophomores sat nervously in the front of the auditorium, awaiting the inevitable call from the stage for their skit. Ending a week of signing up sophomores, rehearsing sketches, and worrying, the victims of upperclassmen's jokes were ready for an evening of embarrassing moments, dressed as anything from dogs to old ladies. The Senior Fall Event, held on Saturday evening, October 22, was a great success due largely to the help and support of the Senior Class advisors and the cooperation among the Senior Class itself. Flashdancing munchkins, handcuffed sophomores, and questionable beauty contests were combined with excellent performances by our Senior classmates to round out the evening and make it a fun event for all involved.

## GHOSTS, GOBLINS

AND BUNNYRABBITS ... A masquerade dance can bring out the weirdest in people. From elaborate costumes to dad's old duds, students decked out in style at SWHS on October 27, 1983. They were not discriminative either, bums danced with punks, nurses with gangsters, all in celebration of Halloween!

Mrs. Eileen Fleming directed Neil Simon's comedy, *FOOLS*. As her first attempt as a director of the South Windsor High School Drama Club, she helped to make *FOOLS* a true sensation. With the special assistance of Mr. Laurence Brown and Mr. Arthur Cloutman, the Drama Club pulled together to produce a comedy of great success.

To be a member of the National Honor Society you have to give freely of your service, character, leadership abilities, and scholarship qualities to better your school and community. Many of our members have achieved this through class participation and working for various charities. On February 16, 1984, at South Windsor High School, the National Honor Society seniors bestowed upon the National Honor Society juniors the responsibilities of being a member.

# BEHIND CLOSED DOORS . . .

What makes lockers so important to the students at South Windsor High? Aren't lockers merely a place to keep your books and hang your coats? For some students, yes, but for the majority of students, lockers are much more. They are separate entities, each with its own personality, reflecting the interests and characteristics of its owner.

The collage of several pictures with a common theme, or . . .

a single picture which says it all!

The similarities between friends . . . and the messages for others.

Pictures symbolizing hopes and dreams . . . and messages of inspiration.

# FIELD HOCKEY AT ITS BEST

If one word could describe the field hockey team. The choice would be obvious: AWESOME! The team put forth a tremendous effort throughout the season. The goal-hungry offense hustled well, banging in a total of 31 goals. Also insuring many victories, the unbeatable defense intercepted many plays and cleared the ball out of the danger zone. Allowing only six goals for the whole season. The team had a successful year, with an overall record of 11-4-2.

#### **"Key Injuries" Hamper Football Team**

The Bobcats Football team had a disappointing season this year, finishing with a record of 1-8-1. Coach McCarroll attributed the team's problems mainly to "key injuries at the beginning of the season," and of these injured players, many were the team's most seasoned players.

With 8 major injuries, 7 putting players out for the season, the Bobcats turned into an underclass team, "inexperienced" and not ready for the stiff competition.

There were the light spots, too. Coach McCarroll's personal highlight was the tie with Windsor, which kept the opponents from competing in the league championships.

Shapiro, Coach Longo.

The season started off slow for the Bobcats, but they finished in style. Lead by the scoring of Seniors Chris Robbins and Peter Mancini and Juniors Gary Dainton and Greg Clinton. The Varsity Bobcats did get in their share of goals. The defense was strong with Senior full backs Rob Schukei and Rob Thomas, Senior halfbacks Rob McAndrew, Todd Blake, and Kurt Alver, Senior linemen Mark Beltramello, and Senior goalie Leo Bonazelli and Junior Tom Dennis. The Bobcats finished the season 8-6-4 after losing a hard-fought State Tournament game, 3-2, to the eventual State Champions, Guilford.

Nice save Leo. That's a good defense for ya!

Way to go Mark! You've got them now.

## CROSS COUNTRY

The Cross Country team had an excellent season. The Bobcats finished with a 9-6 dual meet record and placed third in CVC competition. The entire team ran well in the CVC meet in which Tom Carroll, Mark Culhane, and Dan Murphy qualified for the All-Conference team. Adding to the success of the team were seniors John Collins, Bill Grace, and Kevin Manley.

# CROSS COUNTRY

The girls Cross Country team had an outstanding season, comprised of an 11- record, perfect 5- record in CVC as well as CVC title. The success of the team continued as the girls placed fourth overall in the Class LL meet and qualified for the State Open meet which the team finished eighth. The achievements of the team can be attributed to the dedication of each team member, to training as well as Coach Stolosa's interval workouts. The spirit of the team was never dampened, even during the rainy day meets, broken buses. The highlights for the season were fun run soda's compliments to the Coach and a team celebration at Bee Steak Charlies, an enjoyable way to end the super season.

**BOTTOM ROW:** Coach Stoklosa, K. Culhane, A. Beland, L. Rioa, B. Fisher. **SECOND ROW:** M. Manley, A. Cohen, A. Paquet, M. Neel. **THIRD ROW:** D. Greeaon, W. Elmer, P. Thompson.

# VOLLEYBALL: DIGGIN' FOR GOLD

"Let's go, let's fight; let's go, let's win!" This was the battle cry that sent fear into the hearts of the Volleyball team's opponents. Boasting a 13-6 record that propelled them to 3rd place in the CVC, the team qualified for the State Tournament, while producing two players for the all-CVC team. On the personal side, the girls developed several "pet peeves" including the collection of balls before each game, their bus driver with homicidal tendencies, "pep talks", and a particularly disturbing and difficult substitution in a game against Rockville. However, these small problems were more than matched by the team's shared experiences; the highlights of which included close games against Rockville and Glastonbury, the traditional stops at Kathy John's and the unforgettable Surprise Senior Party given by the underclassmen on the team.

BOTTOM ROW: D. Sedar, M. Giroux, P. Sielitzsky, C. Albano, M. Leavitt, J. Reever. SECOND ROW: N. Mahoney, A. Marques, C. Buchmann, B. Schumacher, T. Dugay, G. Reis, T. Trewella. THIRD ROW: D. DeFeo, D. Sedar, S. Leblanc, K. Kazmarski, I. Kallai, B. Dube, M. Davis, L. Klebart. FOURTH ROW: D. Conthier, S. Kaminski, M. LeBlanc, C. Collins, K. Demers, L. Pandolfo, Miss Cloutier, Mr. Joy.

# NEW TEAM PROVES WORTHY

The newly formed girls' soccer team started its high school career on a promising note. The young team, consisting of sophomores and juniors, played experienced varsity teams but still managed to maintain an admirable record of 5-5-2. Determination and hard work played a key role in the team's success. If the girls continue to work hard, South may soon have another number one team. Look out, Pelé!

Front row: J. Blanchard, C. Trotman, C. Moore, K. Prevost, S. Parker, D. Bergman, L. Comeau, R. Lane, D. Rogoz, C. Buereschinger, E. Dandrea, G. Spelman. Back row: C. Healy Mingr. P. Long, K. # HOCKEY . . .

Klishewitz, a great asset to South Windsor's offense.

Skate right by 'em, Chris!

The Varsity Hockey Team had a very successful season in 83-84. The team won the C.V.C. title and qualified for the states with a high ranking. The high-scoring offense was led by Senior Co-Captain Chris Robbins, Senior Chris Klishewitz, Junior Allen Derosa, Sophomores Kevin Sullivan and Jon Willoughby, and Freshman Brian Sullivan. The defense, which held most teams to below three goals, was led by Senior Co-Captain Mike Sullivan. The rest of the defense was comprised of Senior Rob Paggioli, Junior Bill Pleines, and Sophomores Steve Gavini and Rob Klute. The Bobcats' outstanding goaltending was done by Seniors Andy Lanier, Leo Bonazelli and Jim St. Laurent.

Come on, Mike, leave them in the dust!

# TAKES IT ALL

Front Row: Chris Robbins, Mike Sullivan. Second Row: Bill Pleines, Leo Bonazelli, Jon Eriksson, Kevin Vallez, Jimmy St. Laurant, Robbie, Steve Gavine, Jon Willoughby, Scott Robbe. Back Row: Howard Danise, Andy Dier, Rob Paggiola, Jyrki Mikkola, Mike Hins, Chris Klischewitz, Brian Raulikaitis, Allen Rosa, Kevin Sullivan, Richard Roback (Not pictured — Brian Sullivan)

Coach Russo stands above all.

Bonazelli at his best after four years.

South fights hard for a play-off spot.

# GYMNASTICS

1st Row: B. Hamilton, M. Leavitt, K. Shuttleworth. 2nd Row: S. Sarvela, J. Lavoie, S. Kaminski, P. Penzan, D. Mellen. 3rd Row: M. Contois, S. Nashley, J. Cicco, M. Boothby.

Determination and drive pushed the girls' gymnastic team throughout their season. The team, led by seniors Brenda Hamilton, Maureen Leavitt, and Kate Shuttleworth, put forth a great effort. The team suffered due to lack of numbers; yet the girls did well on an individual basis. Coach Susko Cutter should be commended for her dedication and sacrifice of long hours. The entire team worked hard and deserves a round of applause.
